HOW TO USE THE AMERICAN CANALS AUTHOR INDEX

Every article that was published in AMERICAN CANALS is indexed by means of a one-line entry in the following four-part format:

23-8 (or v28n1-8) Lastname, X.Y. The Panama Canal [B4-65]

23-8	Refers to AMERICAN CANALS, issue No. 23, page 8.
V28n1-8	Refers to AMERICAN CANALS, volume 28, number 1, page 8 (1999 and later)
Lastname, X.Y	Is the author's name and initials.
The Panama Canal	Is an example of the title of an article that appeared (originally) in AMERICAN CANALS
[B4-65]	Refers to, volume 4, page 65 of the Best of American Canals

The last (fourth) part of an entry - [B4-65] in the example - will be present only if the article was reprinted in one of the volumes of THE BEST FROM AMERICAN CANALS.

Articles in this index are listed by author, alphabetically.
